CHAPTER V

CONCLUSION AND SUGGESTIONS

A. Conclusion

Based on the results of the study showed that students have a positive perception of Neo LMS program is the only good study application use, Neo LMS is very easy to operate, Neo LMS program can be run in various browsers, Neo LMS can be used anywhere, Neo LMS which makes it easier to communicate with lecturers, Neo LMS which has many features that make it easy to learn, Neo LMS which has menu accessibility tailored to learning needs, Neo LMS which make easy to see the result or learning values that have been achieved, Neo LMS which can be used as place to discuss with friends or lectures, Neo LMS which can be changed in the language menu display as needed, and there are also students who have a negative perception of Neo LMS use the type and size of letters that are uncomfortable to read, Neo LMS which is very difficult to use in problematic network conditions, Neo LMS that does not support learning needs, Neo LMS which does not have a dynamic menu layout, Neo LMS which is very difficult to adjust according to needs.

A. Suggestion

1. For the next researchers

   This research can be used as a reference for further research about Neo LMS. It is hoped that this research will become a medium of learning, finding experiences and preparing a thesis as a requirement for a bachelor's degree in education.

2. For the lecturers

   This research is expected to be a reference for further Neo LMS research.
