

ABSTRACT

Vini Alvionita. Songgamo. 2021. *Students Attitudes Towards English Language Learning during Pandemic Time at Sintuwu Maroso University.* Supervised by Novalita Fransisca Tungka and Sartika Andi Patau.

Keywords : Attitudes, and English Language Learning

The objective of this research was to find out the students' attitudes toward English language learning during pandemic time at Sintuwu Maroso University. The type of research was quantitative research. The research population was students batch of 2017 until 2020 English Department at Sintuwu Maroso University. The sample of this research was 90 students. The research instrument was questionnaire. The findings were analyzed with the theory of Stark et al (2013). Based on the research result obtained, students tended to have negative attitudes toward English Language Learning during pandemic time due to uncomfortable feelings.
