

CHAPTER V
CONCLUSION AND SUGGESTION

A. Conclusion

Based on the data analysis, it can be concluded the dominant adverbs phrase found in descriptive text made by the students is noun phrase; it can be seen from their assignment being described. The teacher asked the students to write descriptive text about an object, so adverb that often appear in their paragraph writing tasks are adverbs of place and time.

B. Suggestion

Based on conclusion above, the researcher would like to give some suggestion for English and Indonesian adverbs student and other researchers. They are as follows:

1. For student

The researcher should give a clear explanation about the rules of usage and examples of English adverbs on Paragraph. They should also be able to predict the adverbs by the students.

2. For other researchers

For next researcher who wants to conduct a research about student ability in writing adverbs on the paragraph, hopefully this research can be used for reference.
