

## CHAPTER V

### CONCLUSIONS AND SUGGESTIONS

#### A. Conclusion

According to the analysis that elaborated in the chapter IV the researcher concluded that there is one type of translation strategy found in The Blind Side movie directed by John Lee Hancock. It is translation by paraphrase with total of seven idioms.

#### B. Suggestions

As the research done, the researcher would like to give suggestions that might be useful to the future researcher and reader. In the following are the suggestions.

1. For the reader, this research is expected to give better understanding about the translation of idioms especially in understanding the real meaning contain in each idioms.
2. For the future researcher, this research is expected to improve the insight of the similar topic that the future research will conduct for their further research.
